

THE TOWN OF PROCTOR, VERMONT

Eighty-seventh

ANNUAL REPORT

July 1, 1972 - June 30, 1973

THE PLEDGE TO THE FLAG

*I pledge allegiance to the Flag
of the United States of America
and to the Republic for which it
stands, one nation under God,
indivisible, with liberty and justice
for all.*

COVER PICTURE

During the past year with the high water that occurred particularly in June when as you recall the land adjacent to the Otter Creek both North and South of town was flooded we felt this picture taken during the 1927 flood was appropriate. This picture was taken from by the railroad overpass looking North by the old railroad station down through where the marble monument now stands.

GOOD GOVERNMENT BEGINS WITH YOU !!

IF YOU ARE INTERESTED IN SERVING ON A TOWN COMMITTEE CALL (459-3333) OR SEND IN THE FOLLOWING INFORMATION TO:

TOWN OF PROCTOR

The Vermont Office on Aging reminds you of these valuable programs:

SUPPLEMENTAL SECURITY INCOME (SSI)—a new program under social security. Provides supplemental income for those with low income and low assets. (Also available for blind or disabled people of any age.) See the U.S. Social Security Administration or your local senior center or regional office on aging.

PROPERTY TAX/RENT TAX REFUND, SALES TAX REFUND—blanks mailed to many people or get them at your town clerk or bank. For assistance in applying, call your senior center or regional office on aging, apply before April 15th.

GREEN MOUNTAIN PASSPORT—provides FREE admission to state parks, historical sites, and many other benefits. A lifetime passport \$2 ask your town clerk.

YOU NOW HAVE A REGIONAL OFFICE ON AGING, ask them for information at:

Rutland Regional Office on Aging
27 Center Street, Rutland 775-0486

RETIRED SENIOR VOLUNTEER PROGRAM (RSVP)—provides opportunity for meaningful service in a variety of community projects. No out-of-pocket expenses. Transportation provided if necessary. For those 60 or older. Ask about RSVP at:

RSVP Rutland County
9 Hayward Avenue, Rutland 775-3543

	<hr/> \$13,567.12

As a clarification of the Water and Sewer Account and Sewage Disposal Plant, we are including a report of expenditures of the Sewage Plant and this page and the Water and Sewer Account on Page 12

Also, as to clarification of operation on these two accounts we present the following explanation:

The Water and Sewer Account is responsible for the transmission of Water from Chittenden to home owner's service line and the disposal of waste water from home owner's service line to the main sewer line, and thence to the Pumping Stations. The responsibility of the Sewage Disposal Account is the disposal of waste water from the Pumping Stations through treatment at the Sewage Plant.

	<hr/>	\$ 841.78
Receipts:		
Opening Graves and Foundations		\$ 270.00
		<hr/>
Net Cost to Town		\$ 571.78

For the period July 1, 1972 through June 30, 1973 your commissioners recommended an appropriation of \$1,500.00. No major expenditures were spent during the period.

Grave lots were increased from \$80.00 per grave to \$100.00 and this amount includes perpetual care.

Your commissioners have adopted the following rules and regulations:

- No plastic flower arrangements or ornaments.
- No digging of holes or plantings.
- Only one fresh flower arrangement per grave.
- Markers to be flush with ground.
- Monument Base on one grave no longer than 30 inches.
- Monument on other size lots in proportion.
- Monuments no higher than 36 inches.
- Corner Post 4" x 4" x 6" (Lot owner to supply corner post)

SELECTMEN'S REPORT

To summarize in capsule form the activities conducted within the Town of Proctor during the past year is a difficult task, there being so many that have and will effect every citizen within the town.

Perhaps the greatest impact was the receipt of the first year of Revenue Sharing Funds. To illustrate the variety of areas in which this was used the following is a brief summary for which the voters approved it's expenditures.

RECREATION: The construction of a new dock (which would have had to be replaced irregardless), electrification of the bath house and outside lights installed, both for security reasons as well as to permit evening swimming.

FIRE DEPARTMENT: Approved the purchase of a generator and "brush" fire truck. It is our opinion that the new truck, when received, will save much wear and tear on the larger vehicle now used, thus prolonging it's life.

PUBLIC SAFETY: The purchase of a new police cruiser built to the specifications recommended for this type of vehicle.

HIGHWAY: The installation of drainage systems on School St. and Chatterton Park. Included also in this category must be the approval for purchase the house on North St. which will allow the relocation of the highway, thus eliminating the expenditure of a large sum of money for the repair of a marble wall as well as the elimination of a dangerous curve. A new pick-up was also purchased for the Highway Department.

SCHOOL: The purchase of a new snow blower for the Elementary School and a pick-up truck for the Junior-Senior High School.

WATER AND SEWER DEPARTMENT: The purchase of a new pick-up truck.

It should be noted that all of the above items would have come before the voters in this year or future years. It is an unfortunate fact of life that machinery and capital items either wear out or become outmoded so as to be worthless. Other expenditures must be made to update or modernize present methods, allowing more time for maintenance, repairs etc.

As with all tax payers in Proctor we are very concerned with the energy crisis and sky-rocketing costs. Accompanying this is the lack of materials, specifically highway, to start and complete

SEWAGE DISPOSAL PLANT Plant and Six Pumping Stations

	Budget Disbursements		Budget July 1, 1973 June 30, 1974

	<u>\$13,400.00</u>	<u>\$13,567.12</u>	<u>\$19,407.00</u>

desired projects. At this time it is almost impossible to determine how much road repairs and construction will be possible this year, road coverings being mainly derived from petroleum distillates. The Town like every citizen is confronted by the lack of an ample supply of fuel. The Selectmen, with full cooperation of Department Heads, have sharply curtailed the usage of municipal vehicles. Due to this it may be noted that the highways are not plowed or salted quite as much as in previous years, or the police cruiser doesn't make as many patrols through town. Neither service, if at all possible, will be curtailed to the point so as to create a hazard to the safety or well being of our citizens.

During this past year we had the retirement from public service of "Jake" Ladabouche as Town Officer and Bruno Baccei as Town Clerk. Both of these gentlemen served Proctor for numerous years in a dedicated and unselfish fashion. We wish them a happy and healthy retirement. The Selectmen appointed Sidney Jones to fulfill the unexpired term of Bruno Baccei. With the assistance of Ralph Tillberg and Bruno the transition has been conducted on a smooth and orderly basis.

In closing the Selectmen wish to express their appreciation to all town employees for their efforts in making Proctor just a little better than any other town to live in. Our thanks also go to those interested citizens who made our tasks a little easier and more rewarding.

You are reminded that the Selectmen meet the second and fourth Monday of each month. These meetings are open to the public and all are invited to attend to either voice their complaints or offer constructive criticism.

WILLIAM TARANOVICH,
LENNART LARSON,
ROBERT BUZZELL, SR.,
Selectmen.

PROCTOR HIGHWAY DEPARTMENT REPORT

Since our calendar year has now changed to a fiscal period our next year's projects will be well underway or completed by the time this report will reach you. We will report the highlights of our work program from July 1, 1972 thru June 30, 1973. Our proposed projects for 1973-74 fiscal period will also be given.

Retreatment of State Aid Highway's consisted of paving at the intersection of Florence Rd., and Pleasant St. for .57 mile. This section was in dire need of repair as the marble wall near the pond has moved due to frost and heavy loaded vehicles. We installed new guardrails at this section to keep the traffic away from the edge.

The asphalt at this point is approximately 18" deep. The rest of the area was leveled and paved with ½" hot mix overlay. Project cost amounted to \$6,562.83 with the State contributing \$4,144.49 leaving us a balance of \$2,418.34.

Special work on State Aid Roads consisted of regrading the slopes to improve visibility at the intersection of Beaver Pond Rd. & Florence Rd. Total cost of this project amounted to \$2,084.68.

Town Road projects consisted of the following:

- A: Beaver Pond Rd.: excavate 900 feet, lower hill seven feet and rebase complete area with 24" bank run gravel 20' wide and install drainage where needed. Level and paved .65 mile with hot mix overlay. Cost \$9,008.71.
- B: Charles St.: Level and pave with ½" hot mix overlay. \$991.76.
- C: Eden Ave.: Level and pave with ½" hot mix overlay, install drainage. \$1,614.98.
- D: Pearl St.: Level and pave with ½" hot mix overlay. \$568.14.
- E: Pleasant St.: Install gutter line and drainage, level and pave with ½" hot mix overlay. \$5,789.60.

Total cost of the above projects amounted to \$17,973.19 with the State contributing \$3,865.00 leaving us a balance of \$14,108.19.

Our major project proposed for the 1973-74 period will be the installation of a storm drain system and a complete improved road on Patch St. This area has been in need of repairs for sometime.

The approach of Field Street to East Street will be raised to eliminate a hazardous condition. Newton, Garden, Field, and Curtis Streets will be paved.

We wish to thank our Townspeople and Selectmen for the co-operation they have given us in completing our current projects and helping us to make this a progressive town.

WARREN A. McCULLOUGH, Road Comm.

AUDITORS' REPORT

We have verified the existence of stated cash balances, examined the accounts and records of Town Officers and The Treasurer of the Proctor Free Library, and to the best of our knowledge the statements and reports of receipts and disbursements of July 1, 1972 and June 30, 1973 are correct.

JEROME BARTLETT	1974
*SIDNEY JONES	1975
**BRUNO C. BACCEI	1975
JOHN C. HALEY	1976
*Resigned.	
**Appointed.	

PROCTOR MUNICIPAL FORESTS

A pulpwood sale on approximately 15 acres of the Proctor Block, Proctor Municipal Forest removed 120.62 cords for a return of \$120.62. This operation represents the third thinning in the mixed White pine, Red pine and Scotch pine plantations.

Marking and sale supervision for the cultural operations on the forest is administered by the Vermont Department of Forests and Parks under its Municipal Forest Program.

PROCTOR SWIMMING POOL

With the help of the weatherman and an extremely capable pool staff, the 1973 swimming season at the Proctor Pool was highly successful.

Under the leadership of Pool Director, Mrs. Margery Salmon and her staff, Misses Patricia Pereau, Katie Weidman and Debbie McCullough, 206 Proctor children enrolled in lessons during the period June 17 through to August 25, 1973.

Lesson Enrollment—1973

Swimming Class	Enrollment	Passed	% Passed
Beginners A	48	45	94 %
Beginners B	43	29	67.5%
Advanced Beginners	38	31	80 %
Intermediates	23	22	95 %
Swimmers	33	24	73 %
Advanced Swimmers	6	6	100 %
Junior Life Saving	13	4	30 %
Senior Life Saving	2	2	100 %
TOTALS	206	163	78.3%

Due to the revenue sharing allotment, the Proctor Pool area benefited by the following repairs and equipment.

- Replacement of 2nd dock and new diving board.
- Electricity for the utility building.
- Two street lights located near the main beach area.

During the interval when the pool is filling from the spring run-off and when the pool staff officially on duty, the Pool Committee strongly recommend parents not allow their children to swim or play at the pool.

Our sincere thanks to the many people who helped to make the 1973 swim season so successful, especially those who worked on the water carnival weekend, to the Proctor Highway Department for the planning and construction of the new dock, to the staff—Margery, Pat, Katie and Debbie and finally, the Proctor residents for your support.

PROCTOR POOL COMMITTEE.

RUTLAND AREA VISITING NURSE ASSOCIATION, INC.

July 1, 1972 through June 30, 1973

The Rutland Area Visiting Nurse Association, Inc. offered a variety of Health Care programs to Proctor during the year.

Our program included Skilled Nursing, Physical Therapy, Speech Therapy, Occupational Therapy, Home Health Aide Service, and a Volunteer Nutritionist. We also coordinate with the State Public Health Nurses to provide Pre-School Clinics and Handicapped Children Clinics.

A lot of our service is aimed at health guidance and prevention with families, new mothers, and infant care, etc.

We provide instruction in the care of the patient in the home, as well as giving direct bedside care on a part-time nursing basis for you and your family.

All services are offered under the direction of the patient's physician.

We continue to be certified under the Medicare Program. This means any of your residents who qualify under the conditions of the Medicare Program have our service available to them.

A new program was started this year which not only provides a service to your area, but also utilizes volunteers from your community that work with us. These are the Pre-Natal Classes that are held at the Rutland Hospital in the evenings. Details of these classes can be obtained through our office.

Total bedside care visits that were provided in your community during July 1, 1972 through June 30, 1973 are as follows:

Skilled Nursing Care Visits	— 330
Home Health Aide Visits	— 66
Physical Therapy Visits	— 10

Many other visits for health teaching and evaluation of need were made in your community during the year.

We are glad to be able to bring this service to you, but to continue our programs we will need your help and support for the following year.

Respectfully submitted,

EVELYN MORGAN
Director.

Malvina Westin	1 week	Music Project

THE PROCTOR SCHOOL DISTRICT ANNUAL REPORT

1974

During the past year the Proctor School System has made a serious attempt to improve communications with its citizenry. One of the avenues of communications has been the newsletters which have circulated throughout the Town and which have been the cooperative efforts of Board Members, Superintendent, Principals, Faculty and Students. These newsletters have described in detail the curricula and activities within our school system. Since their inception we have received many comments, both complimentary and constructive. It is our goal to continually improve the quality of these reports and we wish to thank those members of our community who have taken the time and effort to give us constructive suggestions.

Because of our newsletters we feel it advisable to revise our format for the annual report. This report, therefore, is a combined effort of your School Board Chairman, your Superintendent, and your Principals. It expresses certain views and concerns which we would like to share with you at this time.

The folk singer, Bob Dylan, sings of the times in which we live and says that "The times they are changing." Indeed, he is correct as evidenced by the changes to which the American people have had to submit in recent months; from the beef crisis to the political crisis, from the raisin shortage to the crisis in the Middle East, and now a serious energy crisis especially in fuel oils and gasoline.

Change, it seems has always been with us but now more than ever institutions, philosophies, and various aspects of living appear to change at a whirlwind pace. Some changes are self imposed and are implemented in a community in order to better existing conditions. Other changes are dictated by agencies over which we as a community have no direct control. And then there are some things which perhaps should never change—tenants that we as a community should hold dear and embrace as a philosophy of living. Let us briefly examine these various types of changes and try to determine what we have changed, what we must change, and what we do not want to change.

In the past year we have reached out to the community by means of Phi Delta Kappa Evaluation Program in order to involve you, our constituents, in our school system. This questionnaire has given us direction in operating our school programs. It is significant to note that the majority of people wanted our schools to stress the basics—reading, writing, and arithmetic. It is equally significant to note that the vast majority still stress the basic rudiments of learning.

We will implement your directions in the near future. At the present time our faculties, K through 12, are busy devising educational objectives to accomplish these ends. By so doing, we hope to improve the quality of reading, writing and math skills and to provide a continuity throughout our entire program. This is just one area in which we have voluntarily changed.

Let us now examine an area where we may have no choice but to change. Our buildings are no longer new and do not always meet the recent requirements established by OSHA. (Occupational Safety and Health Act)

In the near future some aspects of our physical plans will have to be improved. For example, candle power will have to be increased in some areas and safety mechanisms will have to be installed in others. New laboratory and library facilities are extremely critical and must be given priority consideration. These are realities now, let us not ignore them. It wasn't raining when Noah built the Ark. Once again these changes must be effected at the cost of the community but these changes will lead to a better quality of education for our children.

Lastly let us discuss our views on what we consider to be areas where change is not conducive to a sound educational program. The human mind doesn't need to be stuffed with information. It just needs to be opened.

"School work should be considered the most serious and important undertaking of early youth nothing should be allowed to interfere with its successful completion. During school years it should be considered by parent, student, and teacher as paramount to all other interests; and anything and everything which may in any way assist the student to learn while in school should be eagerly accepted. Outside interests should not be allowed to interfere with school work. Social gatherings leading to late hours, loitering or amusements consuming much of the students time or enlisting his interests are fatal to good school work." Mr. Clarence Joy wrote that statement in 1931. We reaffirm his principles and do not wish to alter them. Indeed we urge parents and citizens to adopt his philosophy of education.

Let us not discard the tried and true for the glitter of the spectacular merely because it is tried and true. Let us not scoff at the old virtues of honesty, integrity, respect and responsibility because they impose upon us demands which we are unwilling to meet.

Today, more than ever, the cooperation of all is needed to maintain a high level of education in our community. We are dedicated to this end and ask you to join us in our effort. Let us therefore operate our schools with high standards which we

expect all to maintain. Lack of respect for property, for other people, and for oneself will not, should not, and cannot be condoned. Let us engender in each of our children and in ourselves a sense of responsibility to work toward a better school system, which, in turn will mold students whose lives will have meaning; for education is not only a preparation for life but is life itself. Parents who are afraid to put their foot down usually have children who step on their toes.

"Times they are changing" but we always need not change with them. Let us possess the courage not to change ideals and virtues we consider precious. "You cannot build character and courage by taking away man's initiative and independence. You cannot help men permanently by doing for them what they could and should do for themselves".—(Abraham Lincoln)

Forty years ago Mr. Joy reprinted a document in his annual report that had been adopted by the National Education Association called "The Seven Cardinal Objectives of Education"—a plan for achievement for all. These seven objectives are neither outdated nor hokey. Truly these goals challenge all of us; home, school and community to improve ourselves, and in so doing, our educational system.

We earnestly ask you to study these objectives and to adopt them as your own personal plan for achievement. Change sometimes strengthens the fiber of a people. Other times it takes great courage not to change but to reaffirm virtues considered by some to be outmoded and irrelevant.

Education fails unless the three R's at one end of the school spectrum lead ultimately to the four P's at the other—*preparation for earning, preparation for living, preparation for understanding, preparation for participation* in the problems involved in the making of a better community, state and nation.

Respectfully submitted,

MARY FREGOSI, Chairman—Proctor School Board

RICHARD ZANI, Superintendent

MARION HORAN, Principal—Elementary

ROGER MITIGUY, Principal—High School

THE SEVEN CARDINAL PRINCIPLES OF EDUCATION

1. *Health and Safety*—Set your health standards high and improve your habits daily. Modern life demands reliable strength and energy, a sound mind is a sound body.
2. *Worthy Home Membership*—Magnify your home as the center of a life that is happy, useful and unselfish. Home is the soil in which the spirit grows give your best.
3. *Mastery of the Tools, Techniques and Spirit of Learning*—Know how to observe, to study, to think, to plan, to judge, and to act. The world is run by thinkers and doers.
4. *Vocational and Economic Effectiveness*—Find your talents and train them wisely. Spend wisely less than you earn.
5. *Faithful Citizenship*—Do something daily to make your school, your community, your state, your country and your world happier, cleaner, quieter, more beautiful, better governed. Each for all and all for each.
6. *Wise Use of Leisure*—Let your daily play be a source of joy and strength, a balance wheel for your work. Cultivate growing things, fresh air sunshine and simplicity.
7. *Ethical Character*—Search for the highest values and build your life according to the best pattern. Read after the lives of great men and women. Character is king.

* (The Seven Cardinal Principles as printed in the annual report of the Board of Officers of the Village of Proctor—1934)

TEACHERS NEW TO PROCTOR HIGH SCHOOL

Additional Facilities or Equipment:

Each—Toilet, Lavatory or Sink 15¢ per mo., \$1.50 per yr.

Bath Tub or Shower Stall	15¢ per mo., \$1.50 per yr.
--------------------------	-----------------------------

Garbage Disposal 10¢ per mo., \$1.00 per yr.

Set Tub 15¢ per mo., \$1.50 per yr.

Portable Washer	15¢ per mo., \$1.50 per yr.
-----------------	-----------------------------

Set Tub and Portable Washer 20¢ per mo., \$2.00 per yr.

Automatic Clothes Washer 30¢ per mo., \$2.00 per yr.

Automatic Dish Washer 30¢ per mo., \$2.00 per yr.

Tapping New Connection \$15.00.

We wish to remind all users of the Town Water and Sewer system that we shall continue the policy of the past regarding the maintenance of house services. The Town is not responsible for house services. It assumes responsibility for the water mains, the shut-offs at the main and the lead connecting pipe, but all services and maintenance from that point is the responsibility of the property owner, whether occurring in the road or on the owner's property.

The Town is not responsible for the freezing of any service lines even when an emergency demands that the water be shut off or because of the lack of water.

A similar policy is followed in connection with the Sewer System. The Town maintains the main sewer but the property owners must maintain the individual house service line to the main sewer line.

All new connections or repairs either at the water or sewer mains must be done under the supervision of the Water Superintendent and charges will be assessed for repairing road to its original condition.

Persons planning new homes and desiring water must make application to the Selectmen for water connections.

Property owners will be billed for tenant's water rents.

Water Rents are established on a *yearly basis* and are payable on a six month or twelve month basis, and are *payable on occupancy or nonoccupancy*.

Discontinuance of Water Services:

This procedure is subject to closing the water valve at the Main Line. A minimum charge of \$25.00 will be assessed for the suspension and resumption of water services.

A deposit will be required for new connections, repairs and road damages.

Signed,

THE SELECTMEN

ANNUAL REPORT OF THE PROCTOR FIRE DEPARTMENT

Roster for 1973

Nelson P. Buskey	Chief
Stanley Zyza	Assistant Chief
Raymond Olson	Captain
Dino Baccei	Captain
John Mazut	Lieutenant
Charles Chehy	Lieutenant and Clerk
George Babcock	Charles Moran
Raymond Beyette, Sr.	Chester Peterson
William Blaise	Bernard Ratti
Norman Bowman	Ralph Santoro
Edward Carleton	Charles Skuba
Daniel Gallus	Charles Swahn
Ernest Goodrich	Raymond Tanner
John Illinski	Sandor Vida, Jr.

The Department met twelve times during the year for practices with the apparatus. There was 100% attendance at all meetings. The members are appointed annually by the Vermont Marble Company.

The Department sponsored a Forest Fire Fighting Clinic in June, in cooperation with the State Forestry Service. Several of the surrounding towns were represented at the clinic.

The Department answered twenty calls during the year with an attendance of 85% each call.

Respectfully submitted,

NELSON P. BUSKEY—Chief

CHARLES J. CHEHY—Lt. & Chief

— IN CASE OF FIRE —

To ring in a box alarm—break glass, unlock box and pull lever way down, once only. Remain near box to direct apparatus. To report a fire by phone dial 459-3330.

WARNING

The legal voters of the TOWN SCHOOL DISTRICT of PROCTOR, VERMONT, are hereby warned to meet at the HIGH SCHOOL in the Town of Proctor, on Monday, the 4th day of March A.D. 1974 at 8:00 P.M. to vote on the following matters, to wit:

1. To hear and act upon the reports of the Town School District.
2. Shall the Town School District collect its taxes on real and personal property in three or four installments for the period July 1, 1974 to June 30, 1975 and shall each installment bear interest at the rate of one-half of 1% per month from the due date thereof and penalty of 5% if not paid on time?
3. Shall the two additional members of the Town School Board be elected for terms of two years each, beginning with the 1975 annual meeting of the Town School District?
4. To transact any other business that may legally come before said meeting.

At the close of business, the meeting so started shall be recessed by the Moderator until Tuesday, the 5th day of March, 1974 at 10:00 A.M. at the HIGH SCHOOL in the Town of Proctor, to vote on the following matters, to wit:

1. To elect by ballot a moderator, one member of the Town School Board for a term of three years, and two members of the Town School Board for terms of one year each.

POLLS will be open at the recessed meeting from 10:00 A.M. to 7:00 P.M.
